

Springfield Express Lube

We take pride in providing products and service of exceptional quality and value. Our service is extremely efficient and thorough. We educate and advise you about additional services your vehicle may need based on the vehicle manufacturer's recommended service intervals. We'll assist you in selecting products which help increase the life and/or maintain the value of your vehicle.

Our process is direct and fast paced but do not feel pressured to make a decision. Your vehicle may be due for a certain service or product but it may not be in your budget or we haven't gained your trust yet. Just say "No Thanks" and we'll assist you in whatever manner you wish.

Take comfort your vehicle is receiving the best service from our highly trained technicians.
